Experience

Facebook — Product Designer
Seattle, Washington
August 2021 – Present

Facebook — Product Design Intern
Seattle, Washington (Remote)
June 2020 – August 2020

Designed cross-functionally on the Promotional Tools team to enable consumers and small business owners to manage and set up their loyalty programs on Facebook.

Visier — User Experience Design Intern
Vancouver, British Columbia
September 2019 – April 2020

Created and modified internal design assets as part of Visier's design system to expedite the prototyping process as part of the visual design team.

Collaborated with developers, product managers, and other designers to empower content authors to craft analyses and tell stories with people analytics data.

Education

Simon Fraser University
BA Interactive Arts and Technology
Concentration in Design
Minor Print and Digital Publishing
Class of 2021 — GPA 3.50
